

Florence

The right answer for your wellness
La giusta risposta al tuo benessere

Lemi®
MADE IN ITALY

100%
made in italy

The wooden structure includes a convenient spacious container ideal for storing work tools, such as the hot cabbi, and it even comes complete with an electrical outlet. Sliding panels are available in glass mirror effect and various customization options upon request.

La struttura in legno racchiude un comodo e spazioso contenitore ideale per accogliere strumenti di lavoro, come ad esempio la hot cabbi ed è fornita di presa elettrica. I pannelli scorrevoli sono disponibili in vetro o specchio con varie personalizzazioni su misura.

Lemi suggests mattress with 82 cm width, 12 cm thickness, with heating and sponge bed cover.

Lemi consiglia il materasso largo 82 cm, spessore 12 cm con riscaldamento e coprilettino.

The **HBS stress relief system** provides perfect ergonomics for the Head, Back and Shoulders, while at the same time ensuring the best possible position for client and operator alike.

Con HBS stress relief system è perfetta l'ergonomia per testa, spalle e schiena: perfetta anche la posizione per il cliente e l'operatore.

Elegant and stylish design, with high-quality finishing.
Stile elegante e ricercato con finiture preggiate.

The mattress is manufactured **only with Nefos lining**: pleasant to the touch, flame retardant, "Azo" free, antibacterial and antifungal.

Il materasso è realizzato solamente con rivestimento Nefos: piacevole al tatto, ignifugo, "Azo" free, antibatterico e antimicotico.

Equipped with 3 electric motors with pedal control for adjusting the height, the backrest and the legrest.

Dotato di 3 motori elettrici regolabili mediante pedale per altezza, schienale e gambe.
